Point Rally Event

The point rally event will be held during the conference.

Participants can draw a lottery to win prizes based on the points they earn at the exhibition booths during the event.

Overview and Rules:

Individual participants will receive their own QR codes. Each exhibiting company will be notified of a web page URL, along with an ID and password for scanning these QR codes.

At the exhibiting booths, company representatives can scan these QR codes, allowing participants to accumulate points for this event. In return, the company can obtain their personal information (name, affiliation and email address).

Participants can enter the lottery once after accumulating 5 points. They can do this multiple times during the event, but the points obtained from one company will be only 1 point throughout the event.

Method of getting participants QR codes:

- Participants who registered by May 31 will have their own QR code printed on their name badge.
- For those who registered after June 1, please log in to the registration system to display their own QR code.

1. Log in to the registration system of JSOT2025 with your ID and password.

2. Access to “menu page” and display your QR code. You can show a QR code captured a photo with your smartphone.

*QR codes are unique to each participant.

Method for checking your accumulated points:

Participants cannot check their own accumulated points. Please ask for your balance when you scan your QR code at the exhibition booth.

*You can also check your accumulated points at the “Point Rally Lottery Desk” located in the Poster & Exhibition Room.

About the lottery:

You can draw the lottery once when accumulate 5 points at the “Point Rally Lottery Desk” located in the Poster & Exhibition Room. If you have 10 points, you can draw twice.

End of the point rally event:

The rally will finish once all prizes have been distributed, and this will be announced at the venue.
